

# Hide, Clyde!

by: Russell Benfanti

## chameleon

(a lizard-like reptile that changes the color of its skin)

## jungle

(a warm, wet place with lots of trees and plants)

## pattern

(a design made by repeating shapes or colors)

# skin

(the protective outer covering on a body)

# hide

(to go where no one can see you)

# scampered

(run quickly and lightly)
